

TO OUR CLIENTS

You will be aware that the Government has announced the removal of restrictions from the 19th July.... We at CW will continue to protect our team and our clients by continuing to wear face coverings when requested, retain our reception screens, sanitise and continue to distance our clients whilst in salon.

If you have any specific concerns or requests please make these known upon your arrival for your appointment or at time of booking.

Please also be respectful of any of our team who may be waiting or unable to have their vaccination if they request you to wear a face covering whilst in close contact.

Thank you and we very much look forward to welcoming you in salon.

Kindest regards

Charles and the Team
